If you travel by closed van or car, the Guard before the reception might check your pre-registered vehicle number.

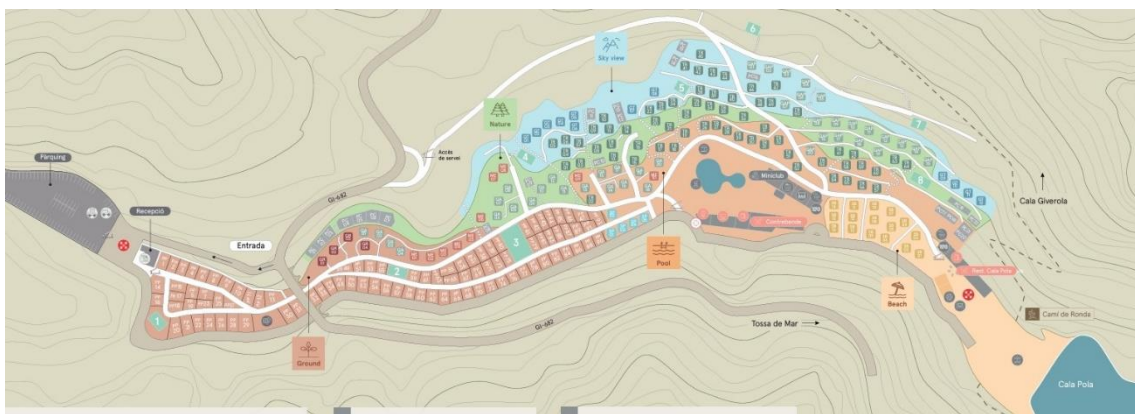

Cars and trailers will have to stay outside on the existent Security controlled Parking.

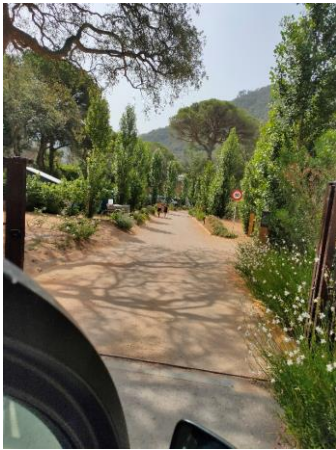

At the reception we will hand you over the welcome bag with all necessary information. Rally maps or GPS file.

Most Bungalows and the camp places have space for your Nortons. If there is no parking beside your accommodation, there is secure parking nearby marked as NORTON PARKING

Adjacent to the motorcycle parking, we will arrange a workshop area.

See site plan for clarification:

Bungalows and Supermarket – Restaurant-Breakfast

Before dinner you can relax or socialise in the Restaurant, Beach Bar or in your Bungalows.

Thursday Dinner at **20.30** : Buffet self-service.

FRIDAY (260km)

Breakfast in the Restaurant: 7.00 – 10.00

Start of the Rally route between 8.45 and 10.00 for a tour of approx. 260 km and will bring us north towards Cadaqués and Figueres a nice coast village known for the Salvador Dali House or Museum. If you wish to shorten the ride you may cross to the return route nearby.

The Monastery De Sant Pere de Rodes near Port de la Selva

Pals medieval village, one of the pearls of the area, 3 km beside the route, is most recommended for a walk around. <https://www.youtube.com/watch?v=sj5y9somu4I>

Peratallada (<https://www.youtube.com/watch?v=1TQwnTkl1uY>) another beautiful village), to many places of interest are on the way, which would extend your trip too much, plan well before what you wish to visit!

Friday Dinner: On your own in the old Village Tossa de Mar.

The 4 km to the village is full of sharp bents and cliffs going steeply down to the sea. We do not wish to miss one the next morning!

So staggered transport with bus to Tossa de Mar (schedule to be confirmed)

A walk in the small old city before dinner is definitively a must!

We will provide rallyists with a Restaurant list for those wishing to reserve. (will be sent before end of May) Or you might search even before leaving your homes for a suitable place.

Saturday: 210 km

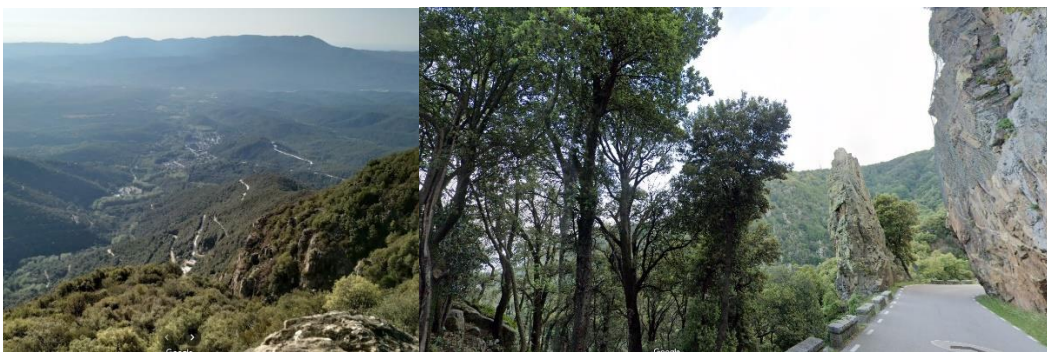

Breakfast in the Restaurant: 7 – 10.00

The rout will take us to the “Serra de Montseny” a mountain area where in the good times many hill climbs took place. Of course, many riders participated with Nortons.

Less touristic, but more rewarding for a good spin around.

Mountain passes like “Coll de Bordoriol with around 1100m, Coll de Sant Marçal, el Mirador Can Pla, will ensure you enjoy your Nortons to the full.

(Mauricio Aschl on JPN at Montseny)

On your way back you might stop at Hostalric, medieval village, for a break.

21.00 Official Rally Dinner at the Camping.

Hopefully weather is good for socialising at the beach Bar later.

SUNDAY (185 km)

Breakfast in the Restaurant: 7 – 10.00

Depending on your home destination you might join us for a part of the route and directly continue your trip back home, or those returning on Monday can enjoy the full tour.

The slightly shorter route will take us to lake Bañolas. The City centre of Gerona is interesting but will probably be too time consuming. Have a coffee or beer on the lakeside and go on to the way from Bañolas to Olot. You might visit an erotic open air museum and later the village Santa Pau.

Or alternatively with a detour of similar miles but a less interesting riding road you will find Besalu, with its fortified bridge,

Castellfollit de la Roca, built on a geological rampart between 2 rivers.

Should you be interested in volcanos. Olot is placed between them!

Lunch wherever you decide to rest.

It is time to return to the campsite, relax and prepare for your trip back. Or who knows if time will allow to take a bath in the sea.

Dinner: Buffet on the campsite. 20.30

Monday: 6.30-10.00 Breakfast and departure till midday
